Welcome to Pérez Art Museum Miami

Exhibitions, both special exhibitions and smaller, focused presentations are connected by Overview Galleries, which display the permanent collection. Four Project Gallery spaces are dedicated to individual works from the collection and new commissions. The selection and presentation of artists, collections and commissioned projects for PAMM is guided by the museum's mission to respond to Miami's diverse population and its position as a cross-cultural hub.

Verde, waterfront restaurant and bar

Verde, a Stephen STARR Restaurant, is a 100-seat full service restaurant and bar open for lunch Tuesday through Saturday, dinner on Thursdays and brunch on Sundays. The cuisine is locally inspired with fresh, seasonal ingredients which are artfully prepared. Verde's coffee bar serves pastries and sweets, fresh juices, sandwiches and salads, artisanal cheeses and specialty coffee drinks to go.

For information about Verde, PAMM's waterfront restaurant and bar, visit pamm.org/dining.
