

## KNIGHT SCHOOLS PROGRAM TOUR INFORMATION

The Pérez Art Museum is excited to welcome you to our world-class contemporary art museum. To ensure the best museum experience, please read the following and share this information with your group prior to the visit.

### Arrival

Once you arrive, you will be greeted by PAMM staff and guided to the museum's entrance.

**If your group is larger than 10 students total, the education staff will divide your students into smaller groups.**

**Purses, large bags, backpacks and umbrellas must be checked in before going in the galleries.**

You will be asked to remove or check in gum, food, and drinks as well.

### Eating at PAMM

PAMM does not provide group lunches but your class is welcome to bring lunch and eat at the museum. Please notify us before your arrival and we will reserve a designated lunch area for your group. PAMM staff will help you store lunches.

### During Your Visit

To ensure the best experience, we ask that **all adult chaperones accompany each group and model appropriate museum behavior.** School classes require one chaperone for every ten students. If there are additional chaperones, we ask them to contribute suggested admission rates.

Please use only pencils while in the museum galleries.

Photography and video capture are not allowed in the galleries during group tours.

The Education staff is happy to answer any questions and arrange for you to preview exhibitions before your group tour. All Florida educators receive free admission to PAMM year-round.

**PAMM must receive a signed copy of this form**
