Welcome to PAMM!

Tips and Rules

• Walk through the galleries slowly and take your time to look at the art.

• Put on your thinking cap and ask lots of questions.

• Remember to stay with your family and to keep your hands away from the artwork.

*Bonus! Show your completed booklet to the front desk to collect your cool reward.

A Picture is Worth a 1000 Words

Select a work of art and create a story. Set the scene using sensory descriptions. What are the sounds and smells?

Need a space to get creative?

Take a seat in the Vattikuti Learning Theatre located on the 1st floor, beside the staircase.
Curate Your Own Gallery

Create and curate* your own space.
Draw 2D objects like paintings and 3D artworks like sculptures.

*Curate: to collect and present objects such as paintings, sculptures, or videos, for people to enjoy, using expert knowledge.
Concrete Poetry

Look for letters and words that form familiar shapes in the galleries.

A CONCRETE poem’s words are arranged in such a way that their shape reflects the poem’s meaning. Check out the example and then create your own below!
