LET'S EXPLORE GEOMETRIC ART!

LOOK

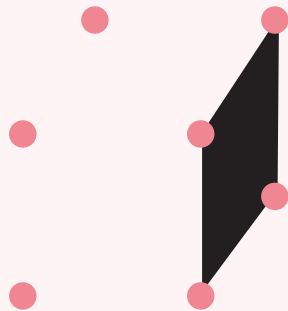

Can you spy an artwork with an interesting line?
Trace that line in the air and describe it.
Is it straight, curvy, zig-zagged, or something else?

Can you spy a cube in this room?
How many can you find?

Can you spy an artwork with rounded shapes?
Describe the colors of these shapes.

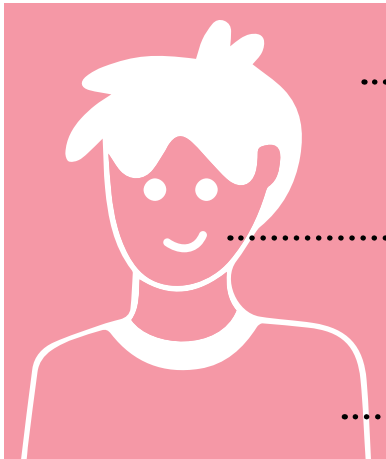

Connect the dots to create your own!

Imagine that some of these round shapes were pizza pies.
Draw in some of your favorite toppings!
