(Miami, FL — September 20, 2023) — **Pérez Art Museum Miami (PAMM)** is pleased to present the 15th annual **Corporate Luncheon**, presented by **Constellation Culinary Group**, on **Wednesday, October 25, 2023**, from **11am–2pm**. The museum's established networking event celebrates the business community's integral role in championing the arts while providing an opportunity for networking, private gallery exploration, and conversation. For the 2023 iteration, the programming theme is 'Local Art Ecosystems', which celebrates the growth of the arts in Miami alongside the ascendance of its business community. While we are blessed to have the ongoing support of the business community at PAMM, that community has also fueled the growth of a marketplace for art, in the form of world-class art fairs, galleries and art advisories services. Tickets can be purchased online at pamm.org/cl15.

Program speakers include: **David Castillo, Jumaane N'Namdi, Jason Seife, Dennis Scholl, and Mindy Solomon**. The afternoon also includes the Corporate Honors presentation, which awards a business or individual who has made a major impact on the cultural vitality of South Florida.

"Now in its fifteenth year, Corporate Luncheon celebrates the integral relationship between arts and culture institutions and business leaders," said **PAMM Director Franklin Sirmans**. "Once again, we are

proud to highlight our corporate partners; thanks to their vital support, we are able to continue in our mission of reflecting the diverse community we serve through our exhibitions and programs.”

Funds raised at this event directly support PAMM’s art education and outreach programs, which engage Miami’s diverse community with stimulating arts experiences through an impressive array of programs. The museum has the largest arts education program in Miami-Dade County outside of the public school system, with more than 47,000 children participating in these programs each year.
